## #6. Psychometry

Those are  
artificial flowers.

I thought you  
only dealt with  
old furniture  
or artwork.

Is this your  
hobby\_?

It was  
commissioned  
by a customer

I'm trying to  
restore it. They  
said it got broken  
while they were  
carrying it.

It must have  
been quite  
expensive, right?

It's a cheap  
product often sold  
in tourist spots.

It's more than  
just the price you  
pay for things.

Sometimes,  
people can't throw  
things away because  
of the memory  
attached to them.

Hm...

Anyway,

I know that  
you always close  
at 9 PM

Still, you are  
open at this time  
of night.

You called me,  
Prosecutor.

I certainly 'heard' something  
on the phone just then.

*'I'm coming  
to the shop.  
At 11 P.M.'*

It's called  
'Psychometry.'

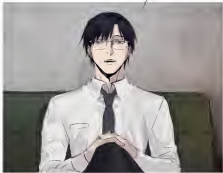

Detective Im  
mentioned it.

Is that it?  
Can you really see  
or hear things?

You've asked me  
once before

about why I  
wanted to catch  
the killer.

It's Joo Hee Yi.

Is that you standing next to her? Have you known her since you were young?

You can stop acting like you have no idea

You must have found it out by now

I don't know much of the details. What kind of relationship did you have?

...This is the first time that I'll be hearing about it...

Dying a  
horrible death...

She didn't  
deserve that.

I don't know how I'm  
supposed to feel, after  
having the only person in  
my life die like that...

I'm going to  
catch him.

I'm going to  
make *him* pay for  
making her suffer  
like that.

Of course,  
I don't fully trust  
you yet.

I still have  
some doubts

*Let me learn  
more about it...*

LET ME  
UNDERSTAND  
YDUR 'PDWER'.
